

NATIONAL PEER-RUN TRAINING AND TECHNICAL ASSISTANCE CENTER FOR ADDICTION RECOVERY SUPPORT

What we do

- Training
- Consultation
- Technical Assistance
- Evaluation
- Research
- Training of Facilitators
- Virtual and on-site

Why choose us

- Regional trainers
- Decades of experience
- Deep bench of subject matter experts
- Strong roots in the peer recovery movement
- Keeping peer integrity first
- Based on national standards
- Strengths-based delivery

Communities of Practice

We bring together groups of people who share a common interest in a particular topic. It is a true participatory process of sharing information and experiences so group members learn from each other.

Toolkits & Templates

Toolkits can be utilized as roadmaps and guides. We provide solutions and strategies for your organization's success. These toolkits will inspire new ideas and can be used for internal workforce development.

Free Initial Consultation

Not sure of your technical assistance needs? We provide consultation and assessment that will help you clarify your priorities. Call to speak to one of our advisors

Modified for All Audiences and Levels

We're flexible! For many trainings, we can adjust the content to be appropriate to the target audience and knowledge level.

Approved by NADAAC and IC&RC

Our trainings are approved by the International Certification & Reciprocity Consortium (IC&RC) and by the Association for Addiction Professionals (NADAAC)

Training Design Service

If your organization has a specific training need that is not on our current menu, we would be honored to design a curriculum for you.
