

Identify as LGBTQ+?

Have experiences with opioid use?

(such as recreational OxyContin, Percocet, & heroin)

**Call/text: 646-801-1449 or email: mmw2161@columbia.edu
to see if you qualify for a phone interview.**

If eligible, you will receive \$45 for your time, post-interview.

The purpose of this study is to learn about LGBTQ+ people's experiences with substance use treatment and other services and to ultimately make those services more LGBTQ+-friendly. You will not be asked to identify yourself, nor will any information directly identifying you be shared.

All interviews are confidential.

The study location is the New York State Psychiatric Institute
and Columbia University Irving Medical Center Department of Psychiatry.
