

Log in to the ATTC Hub <https://attchub.org/regcenters/webadmin/login.aspx>

Select “> **Bi-Monthly Update**” and then “**Fill out your June 2020 Bi-Monthly Update**”.

The screenshot shows the ATTC Hub website interface. At the top left is the ATTC logo with the text 'Addiction Technology Transfer Center Network'. A dark header bar on the right says 'Bi-Monthly Update'. On the left is a navigation sidebar with categories like 'ATTC Home', 'Who's Who', 'National Initiatives', 'Knowledge & Resource Center', 'Promotion & Branding', 'National Meetings', 'Website Admin Tools', and 'Evaluation & Reporting'. Under 'Evaluation & Reporting', the link '> Bi-Monthly Updates' is circled in red. The main content area has the heading 'Bi-Monthly Update' and text explaining that the update reflects work from the last 2 months and offers an opportunity to highlight 3 items. Below this is a link 'Fill out your June 2020 Bi-Monthly Update' with a red arrow pointing to it. Another link below reads 'Don't forget to share your cross-ATTC and cross-TTC collaborations'.

To Enter Your Center's **3 Highlights from the Previous 2 Months** - select how you would like to Enter the Information:

- If you select “**Enter new previous highlight using blank form**” you will be taken directly to a blank form to enter your highlight.

The screenshot shows the 'Add/Update Past Highlight' form on the ATTC Hub website. The form is titled 'ADD/UPDATE PAST HIGHLIGHT' and 'Add/Update Past Highlight'. It has a 'Short Title' field, a 'Long Description' text area, and a 'Link to More Information' field. Below these fields are radio buttons for 'From this item relate to the following?' with options: 'Interactive Technical Assistance (ITA)', 'The Support Systems', and 'None of the Above'. There is also a 'Related Workplace Activity' section with a dropdown menu and a 'Submit' button.

- If you select **“Enter previous highlight from website”** you will be taken to a list of content added to your section of the website and content will be imported into form for you to edit.

Short Title
Recovery Supports: Expanding Recovery Capital

Long Description
This is the final session of the Women and Stimulant Use Project ECHO Series. The series will utilize Project ECHO format: provider-based learning and consultation for substance use and other health care providers working with women who use stimulants. Using the Zoom videoconferencing platform, providers will be able to connect directly with leading experts in the field to build their capacity to provide evidence-based care. Each 90-minute session will include a brief didactic presentation and an interactive discussion on two de-identified client cases.
Recovery Supports: Expanding Recovery Capital A conversation with experienced peer recovery coaches regarding the values, principles and strategies of effective peer support for women facing challenges with stimulant use. Objectives: Describe the key recovery principles that support effective peer services for women who use stimulants. Describe strategies for peer support that successfully build recovery capital for women who use stimulants. Describe strategies for peer support that successfully address the challenges of working in a rural community.
