

# BEST PRACTICES SUMMIT

Monday, October 14th - Wednesday, October 16th

St. Louis, Missouri

Be part of NARR's annual conference, entirely dedicated to best practices in the operation of recovery residences. The event will feature three days of presentations, panels and participant discussion. This year's conference will feature a reception on Monday evening for all conference attendees, and for our friends in the recovery movement.

## Program Choices

Multiple program tracks will offer something for everyone. One track will focus on the needs of residence providers. A parallel track will be devoted to policy topics including legislation, state-level issues, the opioid crisis and industry responses to change. Morning and midday general sessions will feature our keynote speakers and subjects of interest to all participants. As always, we are attracting outstanding speakers from around the country.

## Who should attend?

Whether you're a long-established recovery residence services provider, are just starting out, or maybe thinking of entering the field, this conference will speak to your needs. Participants include some of the nation's leading recovery housing operators. Other speakers and participants are treatment program operators, mental health service providers, state government officials, and providers of specialty services to the field.

## Location and Hotel Information

The conference will be held at the **St. Louis Hilton at the Ballpark**, downtown and across the street from Busch Stadium. We have arranged a great deal on rooms for only \$139/night. Book your rooms now.

## Sponsorship Opportunities

The Best Practices Summit is a great place to promote your program or service to a select audience, and provide much-needed support for NARR's work. See our Sponsor Opportunities page for information from last year. 2019 information will offer the same options and will be available soon.

## Registration Information

**Online registration is open!**

If you will be registering at our special affiliate rate, please contact your state NARR affiliate for the coupon code that will give you the correct registration cost.

**\$450 (\$395.00 for NARR affiliate members)**

If you are registering at the NARR affiliate rate, please make sure you have your coupon code before registering. The affiliate discount will be available through MCRSP. Information on how to obtain the special code for the discount will be available soon on our website @www.mcrsp.org

### Registration includes:

- All main conference sessions (Monday 10/14 - Wednesday 10/16)
- Breakfast, lunch all three days
- Monday evening reception
- CEUs for those who need them

## About Your Host Organization

The Missouri Coalition of Recovery Support Providers is NARR's Missouri affiliate organization. The coalition exists to identify, unite, mobilize, and empower grassroots recovery residence providers that assist individuals in their restoration of self-worth, human dignity, self-respect, life skills, and self-confidence needed for sustained recovery and effective community living.

**MCRSP will soon have information available on how to get the Missouri affiliate registration discount code and to learn of possible scholarship opportunities on their website**
