Recommendations for ITTC Network Colleagues

Below you will find recommendations for breakout sessions. Please choose any track that is most relevant to your ITTC work.

*ITTC **Colleague Spotlight** signifies a presentation by someone in the ITTC Network.

*ITTC **Country Included** signifies a presentation by someone in a country that has an ITTC, but the presenter is not part of the ITTC Network.

****Please note** that the conference program may change. Be sure to keep checking the [ISSUP conference website](#) for the most updated program.
