for Drug Demand Reduction

## Building Bridges to Better Outcomes: An Introduction to Implementation Science

Join us for this interactive and thought-provoking workshop designed to equip you with the tools and skills you need to drive change in your work as an ITTC. All Directors and staff of each ITTC are invited to participate.\*

### Mark your calendar!

All sessions will be held from 9:00am ET to 10:30am ET

#### May 9, 2023

Session 1: Understanding Implementation Science: What it is and why it matters

#### May 16, 2023

Session 2: Overcoming Barriers: Identifying and addressing common challenges

#### May 30, 2023

Session 3: Building a Strong Foundation: Developing your implementation plan

#### June 6, 2023

Session 4: Engaging Stakeholders: Building a coalition to support change

#### June 13, 2023

Session 5: Measuring Success: Developing and tracking key indicators

#### June 27, 2023

Session 6: Sustaining Change

Throughout the workshop, you'll have the opportunity to network with other ITTCs who share similar experiences. You'll leave with an understanding of the key principles of implementation science and next steps to put this knowledge into action.

\*Sessions will be audio recorded

\*Spanish interpretation will be provided
