\* Arizona, you are aligned with Mountain Time due to Daylight Savings Time ending.

## Description:

The IHS Division of Behavioral Health (DBH) will discuss the Community Opioid Intervention Pilot Project (COIPP) grant currently open for applications. The technical assistance webinar will provide information on how to apply, including a brief overview of the funding cycle; application and submission process requirements; proposal requirements; and a review of proposal templates and examples. Each technical assistance webinar will be recorded and provide an opportunity to those not able to attend to view the webinar at their convenience.

## Target Audience

- Federally-recognized Indian Tribes
- Tribal organizations
- Urban Indian organizations

We encourage health administrators, tribal health directors, community members, tribal leaders, law enforcement, registered nurses, advanced practice nurses, physicians, and physician assistants to attend this webinar session.
