

# Geriatric and Age-Friendly ECHO

## “Mobility and Geriatrics”

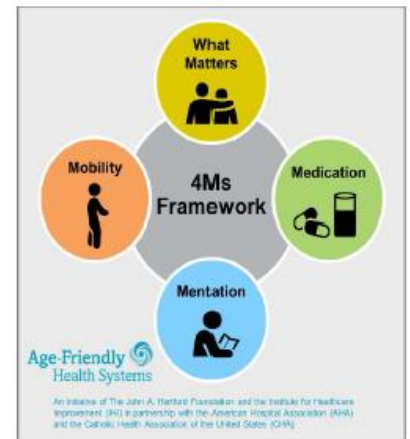

August 10<sup>th</sup>, 2021 at 12:00 PM CT

*Presented by*  
Meridee Danks, DPT  
Associate Professor, Physical Therapy  
University of North Dakota, Grand Forks, ND

[Click here to Register](#)  
*and receive your own Zoom meeting link\*.*

**Why attend?** Because you will...

- Learn about the key components of the 4Ms Framework
- Improve geriatric care for older adults at their location
- Create a network among rural physicians
- Earn free educational credits
