

Join the CSAP Team!

Center for Substance Abuse Prevention

Are you passionate about strengthening communities, building resilience and creating hope? Are you a public health prevention professional looking to take the next step in your career?

The Center for Substance Abuse Prevention is **building our team** to support States, Tribes and Communities to deliver critical substance misuse prevention and health promotion services.

Open Positions Include:

- **Project Officers** supporting State, Tribal and Community Grantees
- Public Health Advisors to **analyze program, public health and demographic data** to inform technical assistance efforts
- **Health Communications and Social Media Experts** to design and implement CSAP's communication strategies

Early and mid-career positions available. Positions open to individuals with as little as 1-3 years experience!
