SAMHSA's Service Members, Veterans, and their Families Technical Assistance Center (SMVF TA Center) is pleased to present the TA call "Eating Disorders Among Service Members, Veterans, and Their Families: What You Need to Know" on August 23, 2022.

Eating disorders are common and life-threatening conditions affecting over 28 million Americans at some point in their lives. Existing literature indicates that SMVF are at an increased risk for eating disorders; however, stereotypes and misinformation about these conditions can create challenges for people who are struggling. The National Center of Excellence for Eating Disorders (NCEED) is partnering with the SMVF TA Center to help raise awareness about eating disorders in the military community and to share important resources that provide evidence-based information and practical guidance. Participants will have the opportunity to learn about eating disorders, treatment, and the crucial role people can play in providing support for a loved one. Active engagement and interaction are encouraged.

After viewing this webinar, you will be able to:

- ✓ Describe common eating disorders and their symptoms
- ✓ Identify eating disorder resources and information specific to the SMVF community
- ✓ Discuss strategies to provide support for a loved one and/or direct them toward treatment

REGISTER NOW

Accreditation Statement

The National Center of Excellence for Eating Disorders (NCEED) is approved by the American Psychological Association to sponsor continuing education for psychologists. NCEED maintains responsibility for this program and its content. The School of Medicine of the University of North Carolina at Chapel Hill is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit Statement

The School of Medicine of the University of North Carolina at Chapel Hill designates this live activity for a maximum of 1.0 AMA PRA Category 1 Credit(s)[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity. To access your credit for this activity, go to www.med.unc.edu/cpd, click on the transcript link, choose UNC Onyen, and log in with your onyen and password. You can then generate a report showing your credit for the time period you specify. If you do not have an onyen, please contact the CME Coordinator (douglas_hudson@med.unc.edu). Your credit will be available 1-2 days after the activity.

Disclosure Statement

This activity has been planned and implemented under the sole supervision of the Course Directors, Jean Doak, PhD, and the planning committee listed above, in association with the UNC Office of Continuing Professional Development (UNC CPD). The course director, planning committee members, content developers, and CPD staff have no relevant financial relationships with commercial interests as defined by the ACCME.

Funding Statement

Funding for the National Center of Excellence for Eating Disorders was made possible by Grant No. H79SM081924 from SAMHSA of the U.S. Department of Health and Human Services (HHS). The contents are those of the author(s) and do not necessarily represent the official views of, nor an endorsement by, SAMHSA/HHS, or the U.S. Government.
