

“Elevate CBOs” is an overarching policy-driven initiative at SAMHSA’s Office of Behavioral Health Equity (OBHE) to build capacity, increase the visibility, and highlight the unique role of CBOs serving under-resourced communities in behavioral health.

Elevate CBOs Webinar Series:

WHERE’S THE DATA? AN OVERVIEW OF THE BEHAVIORAL HEALTH SERVICES INFORMATION SYSTEM (BHSIS)

3:00 PM - 4:30 PM EDT

WEDNESDAY, NOVEMBER 2, 2022

Wondering what behavioral health data is available to support work in your community? You’re invited to join this informational virtual workshop led by Herman Alvarado, a Supervisory Social Science Analyst at SAMHSA’s Center for Behavioral Health Statistics and Quality, who will provide an overview of how to access SAMHSA’s available data on the Behavioral Health Services Information System (BHSIS) and Online Treatment Locator.

After attending this workshop, participants will be able to:

- Describe the different components of the BHSIS.
- Understand how to access BHSIS data and its potential use in research and grant writing.
- Explain the interaction between BHSIS and SAMHSA’s Online Treatment Locator.

SPEAKER:

Herman Alvarado

Supervisory Social Science Analyst

SAMHSA’s Center for Behavioral Health Statistics and Quality (CBHSQ)
