

Session Two: Using Telemedicine to Increase Access to MOUD In Rural Communities

Sponsored and Hosted By:

The Greater Southern California Node (GSCN) of the National Institute on Drug Abuse (NIDA) Clinical Trials Network (CTN), UCLA Integrated Substance Abuse Programs, and Pacific Southwest Addiction Technology Transfer Center (PSATTC), HHS Region 9.

Overview:

The dramatic increase in opioid overdose deaths across the nation, particularly in rural areas, highlights the need for rapid expansion of access to medication treatment for opioid use disorder (MOUD). The GSCN of the NIDA CTN presents a 4-part series featuring rural clinicians and clinical researchers who will share practical knowledge and skills for improving care for patients with OUD in rural settings. The strengths and challenges to providing MOUD in each community and clinic vary.

Session two will discuss the role that telemedicine can play in expanding access to MOUD in rural communities. Telemedicine can be provided by rural clinics themselves, or by external telemedicine providers to whom a rural clinic refers some or all of its patients with OUD. Through case examples, the presenters will highlight how telemedicine has been used to improve access to initiating and maintaining MOUD in rural communities and share their experiences using telemedicine approaches.

PRESENTERS

Kelly Peck, PhD

PANELISTS

Greg Greenburg, MD

Session Two will be Facilitated by Laura-Mae Baldwin, MD of the Pacific Northwest Node

Who should attend?

Physicians, Physician Assistants, Nurse Practitioners, and all other healthcare providers

CMEs and CEs provided at **NO COST**

Lewei "Allison" Lin, MD, MS

Joan Kandel, DO, FAAFP, FASAM

December 7, 2022 from 12:00pm-1:00pm PST

FUTURE SESSIONS

- Caring for Complex Patients in Resource-Limited Communities | January 18, 2023 from 12:00pm-01:00pm PST
- The Substance Use Disorder Workforce | February 15, 2023 from 12:00pm-1:00pm PST

Please contact Maria Hanano (310) 206-9391 or e-mail (mhanano@mednet.ucla.edu) if you have questions, concerns, special needs, or require additional information before registering for this training.

LEARNING OBJECTIVES

1. Participants will be able to recognize two (2) key barriers to the successful implementation of medication for opioid use disorder (MOUD) in rural clinics.
2. Participants will be able to explain 2 approaches of telehealth and hybrid options for providing MOUD in clinical settings.
3. Participants will be able to identify 2 characteristics of patients who are more likely to be retained in care with telemedicine options.

Greater Sothern California Node of the NIDA CTN

The webinar meets the qualifications for the provision of one (1.0) continuing education credit/contact hour (CE/ CEH).

UCLA Integrated Substance Abuse Programs (ISAP) is approved by the American Psychological Association to sponsor continuing education for psychologists. UCLA ISAP maintains responsibility for this program and its content.

UCLA ISAP is approved by the California Association of Marriage and Family Therapists to sponsor continuing education for LMFTs, LCSWs, LPCCs, and/or LEPs (Provider #64812). UCLA ISAP maintains responsibility for this program/course and its content. Course meets the qualifications for one (1.0) hour of continuing education credit for LMFTs, LCSWs, LPCCs, and LEPs, as required by the California Board of Behavioral Sciences. UCLA ISAP is also an approved provider of continuing education for RADTs I/II, CADCs-CASs, CADCs I/II, CADCs-CSs, and LAADCs (CCAPP, #2N-00-445-1123), CATCs (ACCBC/CAADE, #CP40 872 C 0825), and CAODCs (CADTP, #151).

UCLA Integrated Substance Abuse Programs (ISAP) CME is accredited by the California Medical Association (CMA) to provide continuing medical education for physicians.

UCLA ISAP CME designates that this training course qualifies for the provision of a maximum of one (1.0) *AMA PRA Category 1 Credit™* of Continuing Medical Education (CME). Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The California Board of Registered Nursing recognizes that Continuing Medical Education (CME) is acceptable for meeting RN continuing education requirements as long as the course is certified for *AMA PRA Category 1 Credit™* (rn.ca.gov). Nurses will receive a Certificate of Participation following this activity that may be used for license renewal.

Continuing education credit will be awarded within 6-8 weeks following completion of the webinar.

Refund/Cancellation Policy: Notice of cancellation must be made at least 72 hours in advance of the training by contacting contact Brandy Oeser at (310) 267-5331 or email at boeser@mednet.ucla.edu.

Instructions for Filing a Grievance Concerning UCLA ISAP’s Continuing Education Program: Please contact Dr. Thomas E. Freese, CE Program Administrator, in writing (UCLA ISAP, 10911 Weyburn Avenue, Suite 200, Los Angeles, CA 90024-2886) or by phone (310-267-5397). Alternately, you may contact Dr. Gloria Miele or Dr. James Peck, ISAP-affiliated doctoral-level psychologists responsible for program planning for the ISAP CE Program. Drs. Miele and Peck can be reached in writing at: 10911 Weyburn Avenue, Suite 200, Los Angeles, CA 90024-2886 or by phone at: 310-267-5888 (Miele) or 310-267-5346 (Peck).

If you need a disability-related reasonable accommodation/alternative format for this event, please contact Brandy Oeser at 310-267-5331 or boeser@mednet.ucla.edu by October 5, 2022.
