

## Blended Course - 4 hours online/4 hours live

DATE: Saturday, January 21st, 2023  
9 AM – 1:30 PM

LOCATION: Live Webinar Training  
For more information or to register, [CLICK HERE](#)

### WHO SHOULD PARTICIPATE?

- Physicians, Nurse Practitioners, Physician Assistants, Certified Nurse Midwives, Certified Registered Nurse Anesthetists, and Clinical Nurse Specialists who wish to obtain a waiver to prescribe buprenorphine in an office-based setting for opioid use disorder.
- Clinicians and healthcare team members working with providers who prescribe buprenorphine in an office-based setting to treat opioid use disorder.

The first four hours are completed online in the ASAM e-Learning Center followed by four hours of live learning in a virtual classroom setting, led by an expert in the field.

### YOU WILL LEARN HOW TO:

- Assess patients for the full spectrum of harmful opioid use including misuse and use disorder.
- Summarize the clinical pharmacology, efficacy and safety of methadone, buprenorphine and naltrexone in treating opioid use disorder.
- Identify and assess patients who are appropriate for treatment with medications for an opioid use disorder in an office-based setting.
- Describe procedures for initiating, stabilizing, maintaining, monitoring and modifying treatment of patients on buprenorphine or naltrexone.

### ABOUT THE PRESENTER:

- **Dr. Matthew A. Torrington, MD** is a board certified family physician and addiction medicine specialist. He has a background in clinical research and medication development and is a certified Medical Review Officer. Since the 2000s he has provided pro bono care to those in need and has provided clinical instruction to addiction medicine treatment providers from marriage and family therapists to specialist physicians. Dr. Torrington's private practice is focused on the longitudinal disease management of addiction and pain.

The American Society of Addiction Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.
